IN RE WAYNE FARMS FAIR LABOR  
STANDARDS ACT LITIGATION

MDL DOCKET NO. \_\_\_\_\_

**MOTION OF WAYNE FARMS LLC TO TRANSFER AND CONSOLIDATE FOR  
PRETRIAL PROCEEDINGS**

Wayne Farms LLC (“Wayne Farms”), a defendant employer in thirteen substantially similar Fair Labor Standards Act (“FLSA”) collective actions in the Northern and Middle Districts of Alabama, the Southern District of Mississippi and the Northern and Southern Districts of Georgia, moves the Judicial Panel on Multidistrict Litigation to transfer all of them to a single district judge and to consolidate them for coordinated pretrial proceedings pursuant to 28 U.S.C. § 1407. Exhibit A hereto lists the pending actions and identifies the present counsel and parties in each action. Exhibit B shows the approximate location of each sued plant. As more fully explained in the accompanying Brief, these facts support transfer and consolidation for pretrial management:

1. The thirteen cases allege that Wayne Farms has paid processing line workers at eight of its chicken processing plants based on the running time of processing lines, that the workers performed compensable work before and after their lines were running, and that,

consequently, some workers in some weeks did not receive overtime compensation guaranteed them by the FLSA, 29 U.S.C. § 201, *et seq.* In each case, the plaintiffs who have joined the action, or some of them, seek to maintain it as representatives of others yet to join, pursuant to 29 U.S.C. § 216(b).

2. The suits proposed for transfer and consolidation “involv[e] one or more common questions of fact” within the meaning of 28 U.S.C. § 1407(a).

3. Consolidated pretrial management “will be for the convenience of the parties and witnesses and will promote the just and efficient conduct” of the actions. 28 U.S.C. § 1407(a).

4. Between January and May, counsel and the Courts in the eight Alabama actions attempted to create an informal regime of consolidation and coordination between the judges in the Northern (four cases assigned to Judges Proctor and Johnson – two consolidated before each) and Middle (four – two pairs of consolidated cases - assigned to Judge Fuller) Districts.

5. Through a similar process, the two Mississippi cases had been consolidated before Judge Starrett, but the desired coordination between the Mississippi and Alabama cases had not been arranged.

6. The filing in late May 2007 of two new cases in the Northern District of Georgia (assigned to Senior Judges O’Kelley and Tidwell) and one in the Southern District of Georgia (Chief Judge Moore), substantially reduced the utility of these informal arrangements and necessitated this request, in order to avoid wasteful discovery (multiple depositions of same witnesses, redundant requests and responses, etc.), multiple, perhaps conflicting pretrial rulings on the same subjects, overuse of scarce judicial resources, excessive litigation costs and fees and to minimize the work required to ready the cases for trial.

7. These cases should be assigned to Chief Judge Mark E. Fuller of the U.S. District Court for the Middle District of Alabama, for these reasons:

(a) The documents and witnesses involved in the cases are located, in East-West order, in Douglas, Georgia, Pendergrass, Georgia, Oakwood, Georgia, College Park, Georgia, Jack (a/k/a Enterprise), Alabama, Union Springs, Alabama, Albertville, Alabama, Decatur, Alabama and Laurel, Mississippi. Montgomery, Alabama is the most centrally located courthouse;

(b) No cases pending elsewhere were filed substantially earlier and none have proceeded farther than those consolidated before Judge Fuller;

(c) Judge Fuller has 4 of the 13 pending cases already, and presided over class motions, discovery and settlement of a similar, earlier FLSA collective action, *Bertha Scott, Et Al. v. Wayne Farms LLC*, M.D. Ala. 2:05cv80;

(d) None of the cases before other judges have more total plaintiffs than the 4 pending before Judge Fuller;

(e) The Administrative Office of the Courts reports that for FY 2006, the Middle District of Alabama had the shortest median time to trial (20 months) of civil cases among the districts hosting these cases and that the number of Middle District civil cases dropped 14.2% from FY 2005 to FY 2006;

(f) There is no vacant judgeship in the Middle District of Alabama;

(g) There is no MDL proceeding in the Middle District of Alabama.

8. Prior to filing this motion, undersigned counsel sought the opinions of opposing counsel for all Plaintiffs. Some or all of them are expected to oppose this motion, in whole or in part.

WHEREFORE, Wayne Farms LLC moves the Judicial Panel on Multidistrict Litigation to transfer the cases listed on Exhibit A to Chief Judge Mark E. Fuller of the Middle District of Alabama, in order that pretrial proceedings therein may be managed most expeditiously and harmoniously.

Dated: June 6, 2007.
